Form available	Green beans (whole, ground), extract powder
Standardisation	Chlorogenic acids 30% / 45% / 50% (HPLC); caffeine below 10% or decaffeinated on request
MOQ	5 kg trial order available, as per buyer request
Origin	India (one of several sources)
Packaging	5 kg trial pack. Samples available. Bulk in lined drums, bags or cartons, pack size as agreed
Shipping	FOB or CIF, worldwide by air or sea. Terms and timing confirmed in the quotation

Overview

Green coffee is the unroasted bean of *Coffea arabica* and *Coffea canephora* (robusta). India grows both and is one of several sources. Faar Earth Collective Exports supplies whole or ground green beans and extract powder from qualified manufacturers. Typical extract grades are chlorogenic acids 30%, 45% or 50% by HPLC, with caffeine below 10% or decaffeinated on request.

Available forms and grades

Green beans, whole	Unroasted green coffee beans for roasting, sprouting and extraction.

Green beans, ground	Ground green coffee for powders, scrubs and blends.
Extract powder	Standardised to chlorogenic acids 30%, 45% or 50% by HPLC, for capsules, tablets and drink mixes.
Decaffeinated extract	Extract with caffeine removed, available on request.

Applications

Supplement and nutraceutical brands, beverage and functional food makers, cosmetic ingredient buyers.

Weight-management blends	Standardised extract in capsules and powders, where claims are permitted.
Nutraceuticals	Capsules and tablets using chlorogenic acid extract.
Functional beverages	Drink mixes, sachets and ready-to-mix wellness drinks.
Sports and energy products	Extract in active-lifestyle powders and blends.
Cosmetics	Green coffee powder and extract in scrubs and skin care.
Green coffee roasting	Raw beans for roasters and specialty coffee.
Functional foods	Extract in bars, gummies and fortified products.
Private label and contract manufacturing	Bulk and custom-spec supply for brands, contract packers and formulators.

Buyer notes

State the species and the caffeine level you need. Ask for the HPLC chlorogenic acid result, ochratoxin A test, pesticide residues and heavy metals. Agree on bean grade and moisture for whole beans.

Percentages shown are typical commercial grades. The exact grade and test method are confirmed on the COA / TDS for each order.

Packaging and shipping

Typical export packing. The final pack size, terms and documents are agreed with you in the quotation.

Packaging

- **Samples** 5 kg trial order, sealed in a food-grade, moisture-barrier pouch, as per buyer request.
- **Bulk powders and extracts:** lined fibre or HDPE drums, or multi-layer paper bags, with a food-grade polyethylene liner.
- **Whole and cut material:** new food-grade PP or jute bags, or cartons, with an inner liner where the product needs it.
- Private label and retail packs available on request.

Shipping

- **Terms:** FOB or CIF to your port. Tell us your destination and preferred terms when you enquire.
- **Mode:** samples by air courier. Bulk lots by sea, in full or part container, or by air for urgent orders. Shipped worldwide.
- **Timing:** dispatch time, freight and transit time are confirmed in your quotation.

Documents, labels and storage

- **COA** with every lot. TDS and further test reports on request.
- **Export papers:** commercial invoice, packing list and certificate of origin, plus phytosanitary or fumigation certificates and other documents where your destination requires them.
- **Labels:** product name, grade, batch number, net weight and dates as agreed.
- **Storage:** keep in a cool, dry place away from direct sunlight. Shelf life and storage conditions are stated on the COA / TDS.

Frequently asked questions

Is the extract decaffeinated?
Caffeine is below 10% as standard. Decaffeinated grades are available on request.

Which chlorogenic acid grade should I choose?
50% is common in supplements. 30% and 45% are also available.

What is the minimum order quantity?
A 5 kg trial order is available as per buyer request. Larger quantities as per buyer request, subject to the manufacturer's confirmation.

Which certificates do you provide?
We work with manufacturers who meet the certifications your country requires. Certificates (for example Organic, GMP, ISO, HACCP, Kosher, Halal) and test reports are supplied as per buyer request, with a COA for every lot.

How quickly will I get a quote?
Within 24 hours on working days once you send the product, grade and quantity.

How is Green Coffee Extract packed and shipped?
Samples and 5 kg trial orders are sealed in food-grade pouches and sent by air courier. Bulk lots go in lined fibre or HDPE drums, paper bags, PP or jute bags or cartons, in the pack size you agree with us, and ship FOB or CIF by sea or air. The COA travels with every lot, together with the export documents your destination requires.

Why source from Faar Earth Collective Exports

- ✓ Quote within 24 hours on working days once you send the grade and quantity.
- ✓ We work only with validated, qualified manufacturers. Certificates (Organic, GMP, ISO, HACCP, Kosher, Halal and others) are supplied as per buyer request, for your country.
- ✓ COA with every lot. Test reports for assay (HPLC), heavy metals, pesticide residues and microbiology are available on request.
- ✓ 5 kg trial order available as per buyer request. Larger quantities in drums, bags or cartons, FOB or CIF, shipped worldwide by air or sea.
- ✓ Private label, custom standardisation and your own spec. Can't find your herb? We will source it from a qualified Indian manufacturer.

How to order

1. Enquire	Send the product, grade, quantity and destination market by email or WhatsApp.
2. Quote and sample	We reply within 24 hours. Trial orders from 5 kg. Samples available.
3. Confirm specification	Grade, marker compound and test method are agreed and stated on the COA / TDS.
4. Ship with documents	COA and TDS with each lot, plus export documents as required. Packing and terms (FOB or CIF) as agreed.

Packing and container loading

Typical export packing and container loading for Green Coffee Extract, by supply form (S.No. 54 in the Faar Earth Collective packing guide). Choose the form you need. Loads are approximate, and the final pack size, terms and documents are agreed with you in the quotation.

Form A	Whole seeds, pods, buds and spices
Typical packing and net weight	PP or jute bag, 25 kg or 50 kg net (cardamom and clove: 25 kg or smaller)
Inner protection	Food-grade HDPE liner inside the bag
About 20 ft container (FCL)	About 10-14 t (cardamom pods about 6-9 t)
About 40 ft container (FCL)	About 20-24 t
Notes	Floor-loaded or palletised. Use a container liner or desiccant for sea freight.

Form E	Standardised extract powders and high-purity actives
Typical packing and net weight	Fibre drum, 25 kg net (some grades 20 kg), or 5 kg and 10 kg aluminium foil bags in a carton
Inner protection	Double PE liner; foil bag for moisture-sensitive grades
About 20 ft container (FCL)	Large orders only (about 12-16 t of drums)
About 40 ft container (FCL)	Large orders only
Notes	Usually shipped as a few pallets by air or LCL. Protect from moisture and heat.

Before you book

Weight per container depends on bulk density, pack size and whether the cargo is palletised. We quote a load only after the manufacturer confirms the pack size and the forwarder confirms the container. Wooden pallets must be ISPM-15 heat-treated and stamped, or use plastic pallets. Use a food-grade, clean, dry, odour-free container, with a liner and desiccant for sea freight of spices, seeds and powders.

To confirm pack size and freight, email connect@faarearth.com or WhatsApp +91 87008 79647, mentioning "Green Coffee Extract and Green Coffee Beans".

MOQ: A 5 kg trial order is available, and samples can be requested. Larger quantities as per buyer request, subject to the manufacturer's confirmation for each product.
Percentages and ranges shown are typical commercial grades. Confirm the exact grade, marker compound and test method on the manufacturer COA / TDS before ordering. This sheet is for information and is not a certificate of analysis.
